AVCO MUST PAY TAXES ON RADAR TOWERS

The Massachusetts Supreme Judicial Court has ruled that the Avco Corporation, 201 Lowell Street, must pay taxes on the U.S. Air Force sponsored radar towers in North Wilmington, and Avco has thereby gained an unwilling and almost unique distinction of having to pay taxes on a government sponsored research facility.

The Supreme Court decree is a distinct victory for Town Counsel Alan Altman. Normally, under the U.S. court decisions, the government does not pay taxes to the various states or political subdivisions thereof, on property of this nature.

The three towers, each 400 feet high, are erected on land formerly owned by Bob Evans. They were erected in 1962, for radar research for the U.S. Air Force. The leases for the land were in the form of recurring three year leases. Avco contracted for the erection of the towers, which stand on concrete bases, and are braced by wires going to other concrete bases. The contract between Avco and the U.S. Air Force stipulates that title to all property purchased by Avco for this contract, and for which Avco is re-imbursed by the government shall pass to, and become vested in the U.S. Government. Further, there is a provision that the title of U.S. Government property is not to be affected by incorporation or attachment to property not owned by the government.

Wilmington's Board of Assessors, in 1963, assessed the towers and appurtenant properties for \$93,500, and since then a similar assessment has been made each year.

Avco, after paying the taxes each year, filed & except in 1967) an appeal with the Wilmington Board of Assessors for an abatement of those taxes. Those appeals were denied by the Wilmington assessors. The taxes, through 1964, amounted to over \$16,000.

The decision of the Wilmington assessors was overruled, on appeal, by the Massachusetts Appellate Tax Board. That board ruled that Avco did not have to pay taxes on the radar towers, because of the nature of the contract with the Air Force.

It was that decision which Wilmington appealed to the Supreme Judicial Court of Massachusetts, and briefs were submitted by Avco's attorney and the Wilmington Town Counsel.

Justice Reardon, of the Supreme Judicial Court, in a decision handed down last week, ordered that the decision of the Appellate Tax Board be reversed, and that a decision in favor of the town be entered. This meant, in effect, that the court ruled that Avco must pay taxes on the radar towers in North Wilmington.

In his decision, Justice Reardon observed that Avco is a private business

operated for profit, employing government facilities. This, he held, does not immunize Avco from a non-discriminatory state tax of general application, and he concluded therefore that the town (through its Board of Assessors) was properly assessing a tax on the towers, and that there is no exemption under the law which is applicable to Avco.

Head Start program starts Monday

The annual Head Start Program for Wilmington youngsters is scheduled to start Monday morning, at the Woburn Street School, and will continue for a period of seven weeks.

The program will be conducted daily Monday thru Friday, from 8 am until 12 noon. It is a Pre-Schooler program, aimed primarily at orienting children who are entering school for the first time in September, i.e. First Graders.

Children between the ages of 4 1/4 and 6 are eligible. Parents who want to enroll their students should call the director, Mrs. Irene (Sharp) Brennan, at the Roman House, 658-6623.

Crusaders in Third Place

The Crusaders broke into the top three in the Mayflower Circuit Competition in their fourth contest this year in Tewksbury on Sunday by placing second and bringing home their first Class A Trophy.

At Hyde Park on Friday night, both the Crusaders and Swordsmen placed fourth out of six, and missed third place by less than a point. The Crusaders in Class A missed by nine tenths and the Swordsmen in Class C missed by six tenths of a point.

SISTER TOOMEY NEW
DIRECTOR ST THOMAS

Sister Patricia Toomey CSJ will be full time coordinator of Religious Education at St Thomas of Villanova Parish in September.

Sister Patricia is a Sister of St Joseph and received her BA from Regis College and a Master's Degree in Religious Education from Emmanuel College.

MARIJUANA PLANTS: Found by Inspector John Harvey of the Wilmington Police, and the drug exhibit, in the Wilmington Police Station. Chief of Police Paul Lynch is very proud of the work of Harvey.

The Wilmington Police Department now has a very handy Drug Identification Kit, put together by Inspector John Harvey and Bruce Manson, an employee of Sweetheart Plastics.

The kit, which is on exhibit, and can be shown anywhere, has samples of drugs, and of the materials used to check drugs, and can be used for the identification of nearly all drugs being

used today in the narcotics traffic.

There is a unique addition to the kit in the form of two marijuana plants which Inspector Harvey found growing in a secluded spot, off Route 93, as the result of a tip from a well-known Wilmington man. The plants were found being cultivated, but in such a manner as to make them, to the casual person, appear to be weeds which

were mingled with other weeds.

Harvey, after watching the site for a week, in an effort to find out who was responsible, destroyed all the plants except for two, which are now in the Police Station.

He does not know whether or not he has two female plants, or two male plants, or a male and a female plant. Only time will be able to determine that factor.

Conservation Organizational Meeting Tonight in Public Library

The Wilmington Conservation Commission is to hold an open Citizen's Meeting, tonight, in the Wilmington Memorial Library, beginning at 8 pm.

The meeting is designed to acquaint the people of Wilmington in the work of the Commission, and to organize volunteer Work-Study groups to aid

in the work of the Commission.

Films on Conservation and on water pollution are to be shown. Persons interested in participating may go to the meeting directly, or may call the chairman, Arthur Bureau of West Street at 658-4900.

THE NEW HELPER AT THE DENTAL CLINIC: In Wilmington High School is Conception (Connie) Gregario, a nineteen year old Portuguese girl, who has a permanent visa, allowing her to work in the U.S.

Connie is from Terceira, in the Azores, where she received fourteen years of schooling, about the equivalent of three years of college in the US

Miss Connie Gregario, the new assistant at the Wilmington Dental Clinic, came from the Skill Center, in Lowell, to receive training as a dental assistant, so that she may later apply for such employment in a dental office.

She helps Mrs. Eleanor Hovey, a Registered Dental Hygienist, who has been at the clinic for the past 13 years.

Connie says she wants to further her education, and become a Registered Dental Hygienist.

The Skill Center in Lowell provides counseling, testing, skill sampling and job placement for residents of the area who otherwise would lack an opportunity to gain such skills.

The Dental Clinic, started by the Rotary Club of Wilmington, is under the auspices of the Wilmington Board of Health, and provides preventative care and education for the children of Wilmington.

Two hearings scheduled for new Route 129

Two public hearings have been slated by State and County authorities, concerning the proposed relocation of Route 129, in Wilmington.

The first is to be held in the Cambridge Superior Court House building, in the office of the Middlesex County Commissioners, on July 21, at 12:30 p.m.

This hearing will concern itself

about the proposed Alternative Route 129, which is planned to by-pass Wilmington Square, going from the vicinity of the Shell Gas Station on Main Street at Lowell Street, via a route that will go close to the Wilmington Fire Station, on Church Street, and will cross both Middlesex Avenue and Clark Street, with a bridge being proposed to carry it over

Capt. Larz Neilson
Town Crier
Wilmington, Mass. 01887

Subject: Your Article 'School Committee Discussion Non Committal' Town Crier Issue of 18 June 1970 - last page

Dear Larz:

I was moved as I read your report of Mr Lannie's remarks to the subject meeting. I quote the specific paragraph that prompted me to write this letter: 'Early in the discussion, Lannie said that to build a new high school would cost only half a million dollars more than to enlarge the present high school and add other school facilities, and that the town would then have a new modern school building.' Assuming that you have reported his (Mr. Lannie) thoughts and words accurately, I felt that the last part of the above excerpt (and that the town would then have a new modern school building) tips the hand and reveals the prime motivation of that portion of the school committee which voted for and is now urgent the design and construction of a new high school plant.

A new modern school building is desirable in any city or town. This desirable attainment should not now be the prime consideration as I suspect it is to some.

Allow me to mention some other attainments that are desirable in any city or town.

1. A new modern reasonable tax rate.

2. A new modern review by all as to what the cost of living index trend has been in the past two years.

3. A new modern acceptance of the concept that from now on curriculum, content and quality shall supercede and take precedence over physical plant considerations.

4. A new modern recognition of the fact that in many cases estimated moutned prior to ground breaking, are design and construction costs, so easily usually fantasies when compared to the final payment due.

5. A modern demand that the logical additions to the existing high school shall be primarily for classrooms (learning areas) and not for new facilities such as gymnasiums, cafeterias, etc.

I acknowledge the sincere effort on behalf of the town and of Mr Lannie and his supporters in regard to this issues.

I also acknowledge the cettainty that there are some in this town who feel that there must be alternatives, yet unmentioned or unthought of, to the suggestion that we now build a new high school to the tune of \$11.5 millions (\$11.5 million x 2 might be more accurate). I wonder if anyone has ever heard of a city or town finally paying less for an individual school than was originally estimated before design and construction began.

I am aware that state aid for public schools is dependent on standards set up by distant state officials. With this in mind, it should be obvious that any city or town should carefully weigh any and all alternatives to that of providing another new and modern high school building.

Sincerely yours,
David E. Wiberg (S)

the Wildcat Railroad. The new Route 129 will rejoin Main Street near Rocco's Restaurant, and is probably being planned to go directly to the new bridge being planned.

Rep. Cain, the Board of Selectmen and the Town Manager have been advocating the Route 129, to relieve traffic conditions in Wilmington Square. Mr. Cain recently succeeded in having surveyors start on the new route, which, it is proposed, the Town will buy before houses or other buildings are built on the proposed road.

The Right of Way, as it is being laid out, is in the vicinity of 100 feet wide, and could possibly allow for the construction of a new road over sixty feet wide.

The new road construction will have to wait several years, according to Mr. Cain until Federal and State Secondary Highway Funds become available.

State DPW Hearing

A second public hearing is to be held two weeks later, this one in Wilmington, in the Wilmington Memorial Library. It will be conducted by the Massachusetts Department of Public Works.

The hearing is scheduled from 8 pm on August 5th., a Wednesday.

The subject of this hearing is the new bridge, over the Boston & Maine Railroad, at Richmond Street, and the approaches to it. Part of Shawshen Avenue is to be relocated for this bridge, which after crossing the railroad will join Main Street near Rocco's Restaurant.

The bridge, proposed by Rep. Fred F. Cain, is to be built by state funds. Surveys, it is understood, are now complete.

THE TOWN CRIER GOLDEN PEA SPOON CONTEST

Who is to receive the award of the custody of the mythical Town Crier Golden Peaspoon for 1970?

The award, given each year by the Town Crier, is to the first gardener to have a meal of peas, grown in his own garden.

So far there are three claimants, one of whom the Town Crier has not recorded. He called on a Wednesday evening, while this paper was going to press, and too busy for other matters. All that is remembered is that he lives on Middlesex Avenue.

Mrs Betty York, of Shawshen Ave. had peas with her dinner on Monday June 15th.

Ronney Bodnar, of West Street had his first peas on June 14th.

Other claimants are still to be recognized. The Town Crier will make its decision shortly.

MR AND MRS PAUL V. ARNONE: of 2 Pinewood Road, were honored recently on the occasion of their twenty fifth wedding anniversary. A reception, with over 100 guests, was held at the Holiday Inn in Tewksbury, on June 15th, with guests from Quincy, Saugus, Lynn, Waltham, Everett, Melrose, Lexington and Wilmington.

They are shown cutting a beautiful three tiered cake made by Mrs Jean Webster of Andover Street.

ACTION INITIATED TO RELIEVE TRAFFIC CONGESTION IN WILMINGTON SQUARE

Engineering studies for a major relocation of Route 129, to relieve serious traffic congestion in Wilmington Center, started this month.

During the past few weeks, a surveying crew working in the vicinity of Wilmington Square has attracted the curiosity of many residents.

These surveyors are laying out an Alternate Route 129, designed to extend from the junction of Routes 129 and 38, near the Shell Station, to Main Street, near Wilmington Plaza and Rocco's Restaurant.

It is expected, although not certain, that this Alternate Route 129 will cross Church Street near the Fire Station (Olson Road) and also Middlesex Avenue and Clark Street.

The cost of this project can be paid for from \$150,000 appropriated by the County and \$100,000 appropriated by the Town in 1969 - for land taking needed for replacement of the Shawshen Avenue and Bridge Lane bridges. This is feasible because the State Department of Public Works has now agreed to complete the bridge projects entirely out of available Federal and State secondary highway funds, amounting to approximately five hundred thousand dollars.

In addition I have requested the legislature to provide an additional \$150,000 in the 1970 County Budget for the Route 129 Relocation Project, making a total of \$400,000 available to complete the necessary engineering studies, and hopefully, land acquisition. I expect enactment of this extra appropriation in July.

If the County appropriations are not allocated to the Route 129 Relocation, these funds will 'revert' to the County Treasury on December 31, 1970, and become irrevocably lost to the Town of Wilmington.

The urgency underlying the planning for this project cannot be overstated. Upon completion of the engineering design, the unexpended balance of the available Town and County funds should be allocated to pay for the re-

A Public Service Report From Representative Fred F. Cain

quired land takings. This will insure reserving a corridor for the proposed roadway, which would be constructed using future Federal and State Secondary Highway monies.

If the right of way is not acquired, Wilmington will lose the County funds, and new building construction in that right of way would enormously increase the project cost — or even force its abandonment.

I am pleased to report that this important improvement became possible through the co-operation of our Board of Selectmen and Town Manager, who had requested my assistance in obtaining immediate priority for this work from the County Commissioners and the County Engineers, who consigned the survey party.

Our original effort goes back to April 1966, at a meeting with the then Commissioner of Public Works, Frank Sargent, now the Governor of the Commonwealth. The Chairman of the Wilmington Board of Selectmen and the Town Manager attended that meeting with me.

Since that conference, the development of the Route 129 Relocation Project has required my attendance at twenty meetings on this and related topics.

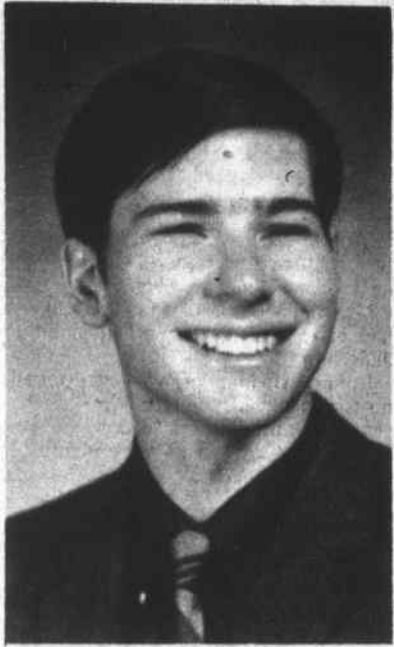

After many months of intensive effort, it is a pleasure to report tangible progress.

Scused there, Gals?

Now, Danny Jones is home on a leave from his six year hitch in the Navy and will be going to Virginia Beach

when he leaves the old home town for Polaris Electronics...Go, Danny with our blessing!

Thanks to you all for your calls, cards, greetings, and notes on this Chick's appointment to the School Committee...We are thoroughly confused, but pleased, and we hope that we can do the job that you are looking for...Ron McKenzie sent us a.... 'Dear Nancy, Just a quick note to tell you how delighted I am that you were chosen for the School Committee vacancy...They could not have made a better choice in all of Wilmington...If I can ever be of any help to you please call me. Best personal regards...Ron MacKenzie...and This Chick was really flattered that Ron would take time out to do this...and from one of our favorite people 'Dear Nancy...Congratulations...This is the finest thing that has happened in this town in the 15 years I have been here...You do so much for so many only good things should happen to you... Good luck and God Bless...Lil Whitaker...and that Lil really has stunned us for two Christmases she has brought us a remembrance, plus some sweets on other holidays...and we were startled at her remembrance...and in the course of discussion, she said, 'Well, I wanted to do it cause you are always doing things for others' So, again, Lil, I find myself indebted to you for your signs of appreciation of me as a people.... Thanks.

Watch that Ball Game with the California Cuties vs the All Stars on July 3 at the Town Park. This is going to be a real swinger and it's for the benefit of the Hospital Fund.

Did you know that our own Ken Palm of Fairmeadow Road will be coaching that Burlington High School Football Squad next year...and that

he was a former varsity hockey coach with Wilmington HS, and has been coaching in Melrose...Watch that Burlington Squad their Wildcats.

Your goodies for the weekend go on sale at DeMoulas...a Bake Sale by the Sons of Italy to aid the general fund at DeMoulas Market at 8 am on Saturday...and you better hie yourself right down ther. Ma, cause those gals can sure swing a mean oven...they bake up a storm...that's why this Chick had to go on the 800 cal diet after partying with them all winter....Go-go-Gals.

And Pa, while Ma is down at that Bake Sale at DeMoulas for the S of I, let's you drive that buggy down to the Masonic Hall between 9 and 4 on Saturday and let the DeMolay Boys give it a shampoo...Right!

And those K of C's are having an Independence Day Dance at the K of C Hall with music by the 5 Sharps on the Fourth...Adults admitted at \$5.00 per couple with reservations made through Tom Casey at 658-2469 or Bill Blakesley 658-3748

Cards gals to Myrtle...Myrtle McKelvey that is...Dapper Harold said he took her to New England Memorial Hospital in Stoneham last week with pneumonia. Hope you are back with us quickly, Myrtle...

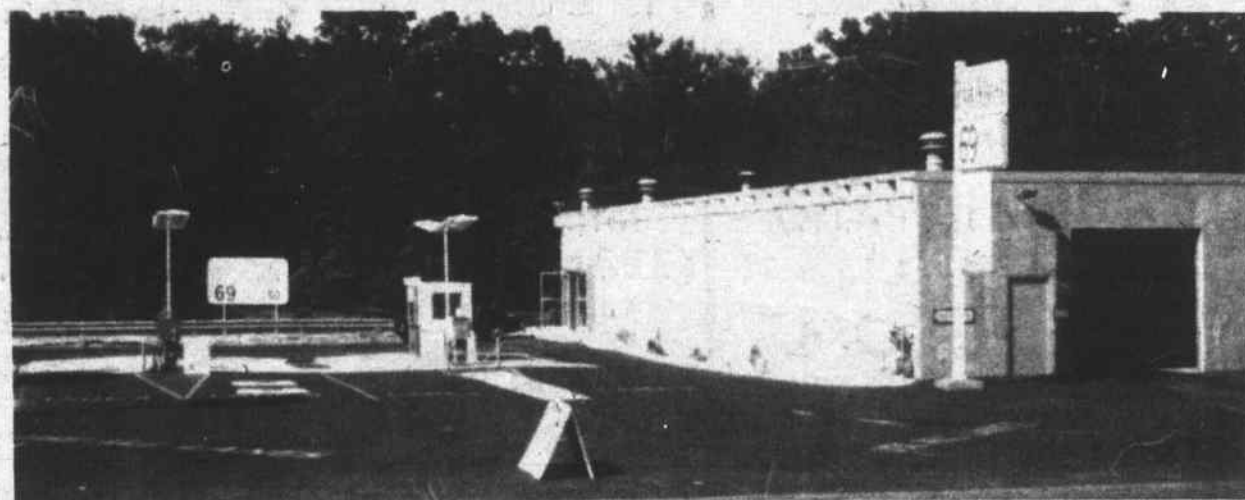

Mrs Durant has a hospital bed to give away...Mrs McVickers found a pair of men's reading glasses with horn rims in the Square... They now reside at Dr Davis office, in case they are yours...and there was a ring found in the yard of the Walker School in the early part of June...and will all three of those people give me a jingle and

Do you have trouble sleeping?

Well, perhaps in the near future you will be able to visit a sleep clinic near you that will try to help you with your problem.

The Russians already have 300 such sleep treatment centers, and use an electric sleep-inducing machine. The first sleep clinic in America is in Los Angeles at Cedars-Sinai Medical Center.

They feel they are going to do something about difficult cases of sleepless nights, sleepwalking and bedwetting.

You will have no trouble filling any and all prescriptions at **SILVER LAKE Pharmacy**, 52 Main St., Tel 658-4617. Open EVERY day 9-10. Whitman and Candy Cupboard Candies. Cosmetics. Cards.

NOSEY NANCY (Fr. Pg. 6)

tell me their phone numbers and names so that we can get these coordinated in case the people give this Chick a phone call...cause I told you about the scissor mishap... so I need the info again....Thanks....

We have it from reliable sources that Bob the Barber down in North Wilmington is engaged....

The Methodists are sponsoring a furniture refinishing workshop to be held at the church by the Middlesex County Extension Service. The meetings will be held on Thursdays from 10 am to 2 pm through July and Aug 6th...Looks like this is for gals and by gals...although we don't know what happened to Angus Suggs, a Methodist and one of the best furniture men we've seen...For info and registration, contact Middlesex County Ext Service 105 Everett Street in Concord... 369-4845 and 862-2380.

Did you know that Judy Wright graduated from the Barbison Modeling School this year...And she modeled at graduation...Congratulations Judy...The new Culinary Arts Teacher for the Shawsheen Tech High School is a Mrs Edith Spector who has been running a cake decorating School in Winthrop which is licensed by the Department of Education. This should be something for the gals to look forward to.

Now, with luck and fewer ads, you may get to read this, if ITHIS Chick can hide Flora's scissors long enough...By the way, Carol was in from a-way-down-Maine today and she tells me she hates Massachusetts drivers...and this Chick responded 'That's nothing, so do I, cause she nearly got it coming back from the Hospital run on 93 today...by a large type box, with no label, and a slightly potted driver...and I don't know about that, GB...she wasn't 'locked in!' Brrrr!

Kathleen Quinn is Bride

At a noon wedding at St Dorothy's Church in Wilmington on June 6, 1970, Kathleen Linda Quinn, the daughter of Mr and Mrs John Quinn of 17 Fairmeadow Road was given in marriage by her father to Peter Michael Powers, the son of Mr and Mrs Thomas Powers of 83 Andover Road in Billerica. Father Drenan officiated.

The bride was gowned in silk organza over taffeta with a venetian lace mantilla length veil and carried a bouquet of daisies and babies breath. Attending as Maid of Honor was Judy Clark of 10 Fairmount St in Woburn. She was gowned in green chiffon with a basket of daisies carnations and baby's breath.

Bridemaids were Marueen Quinn, sister of the bride, Merdith Powers sister of the groom, Wendy Thomas of 13 Fairmeadow Rd in Wilmington and Susan Hibbard of Roosevelt Road. Their gowns were identical to that of the Maid of Honor, but in green.

Best Man was Todd Powers, a brother of the groom and the ushers were Paul Sunderland and John Glavin of

Billerica, Wayne Foster of Lowell and Kevin Holmes of Billerica.

Barbara Quinn, a sister of the bride was the flower girl.

For the occasion, the bride's mother chose a mint green coat and dress ensemble with white accessories the Bridegroom's Mother chose a navy and white voile dress with white accessories.

For the wedding trip to Cape Cod after a reception at the K of C Hall the bride wore a light pink dress with black patent leather accessories.

The bride attended Wilmington schools and Mass Bay Community College. The groom attended Billerica High School and Northern Essex Community College and is presently in the United States Air Force.

The couple will reside in Haverhill

School Committee

The School Committee Meeting on June 18 at the Roman House opened with a discussion between the delegation of parents present and the Committee about the transfer of a teacher. The parents were told their comments would be taken into consideration.

The Superintendent's report was brief. He told the committee that there would be more discussions with the applicants for the principalship of the Glen Road School and a Business Manager. One of the items on the agenda was forms of evaluation of the teachers. Walter McNamara did not approve of the forms now being used and asked for a better form. He felt enough information was not given to assist the committee with evaluations.

'Everyone has a different definition of what makes a good teacher,' Al Lanni told the Committee. He felt a definition of a good teacher would assist in evaluation.

Kenneth Breen, Past President of the Teachers Association, told the Committee that the teachers need to know just how evaluations are made.

A request for two evaluations, one by the supervisor and one by the teacher, was made by Nancy Clark, the newly appointed school committee member. She told the committee that a comparison of the two would help the teacher himself as well.

Walter Pierce requested that the Tufts University Teacher Evaluation Form be referred to the Teacher Association Evaluation Committee.

A short executive session was held to interview a candidate for an Assistant Principal.

After this, the committee approved of several summer workshops. Those workshops that were for the Music Department for a two-week session

with Miss Jackson and Miss Eckoran a Language Arts two-week planning for curriculum study with Robert Hamilton and Mrs. Mary Driscoll.

A workshop to train Teacher Aides was also approved with Shirley Shufelt and Mrs. Gertrude Robertie.

Patricia Gagnon was made Director of the Family Life Program effective September, 1970. The vote was 5 to 1 with Lanni on record as opposed, because he felt any new administrative positions should not be created until the entire administrative structure was revised.

Three new teachers were appointed Mary A. Burchard BA University of Mass, elementary; Brenda Hunt, BS M Ed, Lesley College, Boston State to Reading Program; and Thomas M. Sullivan BA, MA, Boston College in Special Education.

WENDY EVANS GRADUATES

Deaths

FORMER WILMINGTON MAN FOUND DEAD IN N. READING

A former Wilmington resident, Fred LeFave, about 50 years old, was found dead in his automobile, in North Reading, on Tuesday afternoon, at about 6 pm.

The police of No. Reading were called when it was noticed that the car had been parked for a long time on Lakeside Road, near the Martin's Pond Pumping Station. The death is presumed to have been caused by a heart attack, and an autopsy has been ordered. Mr. LeFave's body was removed to the Crosswell Funeral Home.

A resident of Wilmington until about seven years ago, he is reported to have no Wilmington relatives. A son, name unknown, is said to be serving at the Patterson Air Force Base in Ohio.

SERVICES FOR CYRIL HUSSELBEE

Cyril Huselbee of Boutwell Street passed away suddenly in Melrose on June 19, 1970.

Born in Staffordshire, England, 73 years ago, Mr Huselbee had resided in Wilmington for a number of years.

A veteran of the U S Navy of World War I, he was a salesman for the Downs Lumber Company of Boston.

He is survived by a son Richard C. OF Sherborne, Mass.; and sisters Mrs Mae Hadley and Mrs Ivy Lionhead of Wilmington, Dorothy Morrissey of Tewksbury, Theresa Hopf of Natick, Edith Cahill of Dorchester, and Jessie Martins of Framingham, and a brother Stanley from Boston.

Services were held on June 20, 1970 at 10:00 am at the Nichols Funeral Home, 187 Middlesex Ave, with the Reverend H Allen Tadgell of the United Congregational Church officiating. Burial took place in the family lot in Wildwood Cemetery.

LEON A RHINE PASSES AWAY

Leon A Rhine, formerly of 735 Woburn Street, died at the Castle Nursing Home in Tewksbury on June 23, after a long illness.

Eight years of age at the time of his death, Mr Rhine was born in Manchester, New Hampshire, but had spent the greater part of his life in Wilmington.

He was self-employed and was a member of the Tewksbury-Wilmington Lodge 2070 BPOE.

Married to the late Amy M. (Clough) he was the father of the late Carl E Rhine of Tewksbury. His survivors include his daughter-in-law, Mrs Antoinette O. (Suprenant) Rhine of Tewksbury; three grandsons, Richard of Lowell, Douglas of Billerica, Gary of Tewksbury and seven great grandchildren.

Funeral services will be held today at 2 pm at the W S Cavanaugh Son Funeral Home at 374 Main Street, with the Reverend Willis P Miller of the United Methodist Church officiating.

Interment will be in the family lot in Wildwood Cemetery.

HOSPITAL NEWS

St Thomas Women's Bowling League disbanded recently and donated the balance in their Treasury to the Wilmington Hospital Building Fund - \$67.75. The Committee acknowledges their thoughtfulness.

The Town Park hosted the Middlesex County All Stars vs Bunny Club Girls for a Soft Ball Game for the benefit of the Landers Burn Center at the Wilmington Hospital.

The humor injected into the Ball game by the Bunnies with their squirt guns and rubber chicken made the night worthwhile as well as profitable. Both teams donated their services and netted \$537.49.

Four and one hard working gals namely Mrs Virginia Braman, Mrs Estelle Shelley, Mrs Eileen DeGraffenreid, Mrs Elizabeth Andrews and MR Clifford Braman enriched the Wilmington Hospital Building Fund with \$1700. the proceeds of the Ken Wilson Night of Organ Music, held recently at the High School. Congratulations and sincere thanks from the Building Fund Committee to Ken Wilson for contributing his talent and to the gals and guy for the success of their worthwhile endeavor.

The VFW pf Wilmington have contributed four checks of \$500 each to the Hospital Building Fund.

Their continued efforts for the success of the Hospital is truly commendable and really in keeping with their civic mindedness.

HOSPITAL TREASURER'S REPORT

The Treasurer has reported as of June 1st a total in the bank of all monies contributed in lieu of flowers remembrances and proceeds from the barn sale, carnival, and other events a total of \$23,339.81 with no bills outstanding.

Conservation Notes

By a member of the Wilmington Conservation Committee.

Fresh Water is one of Wilmington's greatest natural resources. Each of us can do his share in preventing its pollution by using detergents of a low phosphate content.

Phosphates are known to produce excess plant life in our waters, and to consume oxygen and strangle animal life. Of all the detergents, BIZ and AXION are said to have the highest phosphate levels (73.9 and 63.2%).

WISK, TREND and DIAPER PURE have the lowest levels - less than 20%

Arthur Bureau, Conservation Commission Chairman, a sober fellow, has spotted and photographed an albino Robin, nesting near his home on West Street.

After July 1, the law banning open burning will be in effect in Massachusetts. This is a necessity if we are to enjoy clean fresh air in our highly industrialized and populated region.

There are many alternatives to open burning of trash, garbage and leaves, all of which put fumes and pollutants in the air.

The leaves which are burned in the fall give a nice pleasant aroma for a few hours, and then the good is gone, - only to leave wye-watering smoke in its place. If the same leaves were raked around bushes and around flower beds, they would be working all winter, protecting the plants from the frost.

Excess leaves can be chewed up by your lawn mower and left on the lawn to decompose over the winter. You will save money, on lawn fertilizer, next spring.

It has been estimated that 60% of city smog is caused by the automobile. Lead is one of the most deadly of all pollutants emitted by the internal combustion engine.

People with a lead level of .5 parts per million in their blood show visible signs of lead poisoning. Large lead levels in the blood can lead to paralysis, blindness, insanity, and finally death.

Try lead free gasoline - it's a good start in solving the air pollution problem.

SPORTS ROUNDUP

Men's softball

Roccas erupted for a six-run first and then coasted to a 16-5 rout over NAPA in Division II action this past week. Second baseman Nino Trimarchi smacked a two-run homer, and catcher Bill Kasabuski went 4 for 4, and drove in three runs to pace the division leader's onslaught.

The K of C continued their winning ways as they dropped Smithcraft 9 to 6, and outslugged NAPA 12-7, while the slumping Sons of Italy lost their fourth straight to Diamond Crystal, 7-2. Catcher George Pratt paced the Knights in their win over NAPA, going 3 for 4, with two rbi's, as pitcher Dick Elliott won his fourth game of the season without a loss. Bill Dunleavy belted a two run home for NAPA in a losing cause.

In Division I play Bemis and Newhouse each won a pair of games, to stay close to Miceli, the division leader. Coach Jack Cushing's club topped the winless Bedell's, 9-5, and bombed Compugraphic, 16-2, as Bob McNabb and Tom Stack each slammed home runs.

The Newhouse Nine defeated Compugraphic, 8-3, paced by a Mike Farrell home run and the relief pitching of Dick Simmons, and they outscored Bedell's, 11-7, as Ed Gillis and Dave Newhouse each belted a home run to pace the Builders.

The Miceli Club stopped Sweetheart 14-6, to hold its slim one half game lead over Bemis and Newhouse, in last Sunday's feature play at the Town Park. Winning pitcher Jay Tighe had plenty of bat support as John Kalkanajian, Jimmy Melzar, Jim Tildsley

and Len Galvin each powered home runs to highlight the onslaught.

Pony league

The Colts won their first two games ever, in league competition last week as they edged the North Reading Braves, 4 to 3, on Wednesday June 17, and outslugged the Wildcats, 11 to 6, last Saturday morning.

But Coach Merrigan's boys were unable to stand prosperity, and lost to the Stoneham Ravens on Tuesday nite. It was 13-8 as their five run last inning rally fell short.

In other games played by the Wilmington teams, the Mavericks ended a five game losing skein with a 6-4 triumph over the Ravens last Thursday. But Coach Kalkanajian's nine lost their next encounter to the North Reading Braves, on Saturday morning, 3-2. The Wildcats continued to play sporadic ball, losing to the Colts 11-6, and the Stoneham Hawks, 5-3.

Seasonal records for the teams are: Wildcats, 3-6; Mavericks, 2-6; and Colts, 2-7. The upcoming slate of games include:

Tonight: Mavericks vs Reading Jets @ High School Field, 6 pm.

Saturday: Colts @ Stoneham Eagles, 12:00; Wildcats @ Reading Jets, 12:00.

Tuesday: Wildcats vs Stoneham Falcons @ High School field, and Mavericks — Reading Astros, 6 pm.

GREATER LOWELL LEAGUE

Righthander Rick Gearty fired a four-hit shut-out and shortstop Paul Lyman clouted a grand slam homer to lead the Wilmington Club over Billerica 6-0 last Friday night. In hurling Coach Scanlon's team to its second win against two losses, entering last night's game, Gearty fanned six.

Earlier in the week, the boys traveled to Bedford and dropped a 7-1 decision to the Hanscom nine as they fell behind in the first inning by five runs and count not catchup.

The next games for therecreational sponsored team will be tonight at Lowell and next Wednesday evening at Tewksbury.

CALIFORNIA CUTIES Will be playing the Town League All-Stars in a benefit game on July 3 at 8 PM in the Town Park. From left: Hefty Helen, Dumpy Dora, Liza Jane, and Little Susie. The Wilmington Regional Hospital Building Fund is to benefit from the proceeds.

FAKE GIRLS TO OPPOSE LOCALS

For a long time, the solons of softball have been trying to find ways of making the national pastime ever more entertaining. Trino Palacios has the answer! And you can see for yourself when his California Cuties come to Town on Friday July 3 to play the Town League All Stars at Town Park on Rt 38.

The Cuties feature such stars as Dumpy Dora, Hefty Helen, Liza Jane, Susie and Lotta Fanny. Perhaps you'd expect the All Stars to beat the daylights out of a girls team, but the chances are that they'll lose. At least, that is what Mr Palacios says. He points to the fact that the California Cuties have been playing top local teams all over the U S and Canada for 21 years and winning 90 per cent of their games.

Of course, the Cuties have one little thing going for them. All the 'girls' on the team are really men - softball players, outlandishly disguised as, we use the term loosely 'women'.

Featured are Liza Jane, who is the chief clown on the field and team manager all of the time. Also with the team from its inception is Susie the 38 inch midget. When Susie plays between second and third base, it's the 'shortest stop' in baseball history.

Pitcher for the team is the famous high school star from Los Angeles Fireball Freida. And for slugging

SWIMMING POOL CARE

by
Bob Le Favour

A proper pool maintenance program includes an understanding of the purpose of the test kit.

Inexpensively priced, the test kit permits us to determine the present level of chlorine or Chlorine Residual. This is expressed in terms of parts-per-million or ppm. It refers to the number or parts of available chlorine per million parts of water (by weight). Your test kit should indicate the presence of 0.6 - 1.0 ppm in the water at all times to insure a safe and healthy pool.

Another important factor in pool care is the degree of acidity or alkalinity in the water. Water which is neither acid nor alkaline (neutral) registers on your test kit scale as 7.0. This is called the pH factor. (7.2 - 7.6 is recommended)

kit scale as 7.0. This is called the pH factor. (7.2 - 7.6 is recommended) Make it a daily habit to test the water in your pool. A daily chlorination program and regular pH

tests will assure a healthy summer for your family and friends. It will also prevent many problems. Watch next week for Pool Problems No. 1 - Algae - The Green Horrors.

Some do-it-yourself painters find painting windows and trim difficult.

Here are a few ideas to make the job easier and more professional looking. First, remove hardware from windows. Scrape off any peeling paint. Smooth with sandpaper if necessary. Paint the pieces between the panes first, then the horizontals of the sash. Paint the verticals of the sash.

The last step is painting the horizontal frame and sill. Masking tape is very helpful in keeping splatters away from the glass. Apply along the window directly adjacent to the glass. Brush paint, but do not use too thick a coat. When paint has dried, cut the paint film between the tape and frame with a razor blade, then strip off the tape. Use trim enamel for the most wear for windows and woodwork.

The do-it-yourselfer will find a complete line of supplies available at A. B. SWEZEY, INC., 615 Main Street, 658-2051.

Complete line of Pittsburgh Paints - 720 colors to choose from...All types of lumber including hardwoods - Walnut, Cherry, Ash, Oak, and Birch. Redwood now in Stock. Pella and Wes-Pine Combination Wood Windows and Doors...Aluminum Combination Windows and Doors Open: 8-5 daily, 8-9 Fridays

HELPFUL HINT: The area of the sash and frame is generally 35 square feet. Multiply by the number of windows. Divide by product coverage to know how much enamel to buy.

We hope you will pardon our appearance while we expand.

COMMONWEALTH OF MASSACHUSETTS LAND COURT
(SEAL) Case No. 59791 Misc.
To all whom it may concern, and to Frieda Gardner, of Malden, in the County of Middlesex and said Commonwealth, or her heirs, devisees or legal representatives; Roda Wolpe, of Chelsea, in the County of Suffolk and said Commonwealth, or her heirs, devisees or legal representatives; Mae Tepper, of Bridgeport, in the State of Connecticut.
Whereas, a petition has been presented to said Court by Gaetano Bellone, of Melrose, in the County of Middlesex and said Commonwealth to establish his title under a low value deed, under the provisions of G.L., Ter. Ed., Chapter 60, Section 80-B, running to John D. Cooke, by instrument dated December 18, 1944, and recorded in Middlesex Dist. Registry of Deeds, in Book 1018, Page 249; that the petitioner now holds his title under deed from Joseph O. Mahoney and Vera I. Mahoney dated August 27, 1968, and duly recorded with said Registry of Deeds, in Book 1856, Page 33, and to require you to show cause why you should not bring action to try any claim or claims which you may have adverse to the petitioner's title arising out of the tax proceedings under which the petitioner's title is based.

Said petition covers a parcel of land in said Town of Wilmington, bounded and described as follows: Fannie Boone, Central Park, Lots 152-155 inclusive.
If you desire to make any objection or defense to said petition you or your attorney must file a written appearance and an answer under oath, setting forth clearly and specifically your objections or defense to each part of said petition, in the office of the Recorder of said Court in Boston (at the Court House) or in the office of the Assistant Recorder of said Court at the Registry of Deeds at Lowell on or before the twenty-seventh day of July next.

Unless an appearance is so filed by or for you, your default will be recorded, the said petition will be taken as confessed and you will be forever barred from contesting said petition or from having or enforcing any claim or claims adverse to the petitioner, his heirs or assigns, in the above described land.

And in addition to the usual service of this notice as required by law, it is ordered that the foregoing citation be published forthwith once each week, for three successive weeks, in the Town Crier a newspaper published in said Wilmington.

Witness, ELWOOD H. HETTRICK, Esquire, Judge of said Court, this fifth day of June 1970.
Attest with Seal of said Court, BERNARD W. BERKOWITZ, Deputy Recorder

THE COMMONWEALTH OF MASSACHUSETTS DEPARTMENT OF PUBLIC WORKS
NOTICE OF HEARING ON STATE HIGHWAY LAYOUT - WILMINGTON
Pursuant to the provisions of Section 5, Chapter 81 of the General Laws, Ter. Ed., as amended, the Department of Public Works will give a public hearing in the Wilmington Memorial Library on Church Street, Wilmington, on Wednesday, August 5, 1970, at 8:00 P.M. to all persons interested in the relocation of a section of Route 129.

The project consists of the relocation and construction of a section of Route 129, Shawheen Avenue, from a point on the existing Route 129 approximately 300 feet east of Aldrich Road extending easterly about 2100 feet to connect with Route 38, Main Street, approximately 390 feet north of Bridge Lane all in Wilmington.

This hearing is to be a combined corridor and design public hearing.

Plans showing the proposed project will be on display at the Wilmington Memorial Library on Tuesday, August 4, 1970 from 2:00 to 5:00 P.M. and from 7:00 to 9:00 P.M. An engineer will be in attendance during these displays to answer questions regarding the project.

Written views received by the Department subsequent to the date of this notice and up to five (5) days prior to the date of the hearing shall be displayed for public inspection and copying at the time and date listed above.

Written statements and other exhibits in place of, or in addition to, oral statements at the public hearing regarding the proposed undertaking are to be submitted to Daniel S. Horgan, Chief Engineer, Massachusetts Department of Public Works, 100 Nashua Street, Boston, Massachusetts. Such submission will also be accepted at the hearing. The final date for receipt of these statements and exhibits will be ten (10) days after this public hearing.

The Department's policy for "Relocation Assistance", if required, and tentative schedules for right of way acquisition and construction will be discussed at the hearing.

By order of the Department of Public Works.

Mrs Michael Farrell

Nancy Anne Brown, the daughter of Mr and Mrs Joseph E Brown of 88 Hanscom Avenue in Reading became the bride of Michael E Farrell, the son of Mr and Mrs Ernest J Farrell of Fifteen Marcus Road at a six o'clock ceremony at St Agene Schurch in Reading on May 23, 1970, with Father William Commame officiating. Miss Ruth Donald was the soloist. Gowned in Sata Peau with a high neck and an illusion veil, and carrying a bouquet of carnations, daisies, roses, and baby's breath, the bride was given in marriage by her father. The bridesmaids were gowned in rainbow gowns of dotted swiss with long puffed sleeves with matching baskets of flowers. The maids were Louise Driscoll, Lorraine E Veritt, a cousin of the bride, Nancy Golon, Lorraine

Chapman, a cousin of the bride, and Cheryl Hodsdon. The Junior Bridesmaid was Janie Farrell, a sister of the groom and the flower girl was Karen Howard, a cousin. The Matron of Honor was Mrs Valerie Michaud. Best Man was Peter Farrell, a brother of the Groom and Brian Farrell, a brother in law Joseph Brown Jr and bother in law Paul Leverone, David Fuller and Bruce McManus of Saskatchewan, Canda, were the ushers. A reception was tendered the couple at the Chateau de Ville on Route 1 in Saugus, where the guest book was in charge of Jo Anne Allen after the Champagne Fountain. The four-piece orchestra entertained each of the fourteen tables, which were decorated in pastels. For her trip to Bermuda, the bride chose Navy Blue with white trim

and matching coat. The bride was educated at Reading High School, Class of 1968, and attended the Mass bay Community College. The groom attended Wilmington High School, Class of 1963 and the University of New Hampshire, Class of 1968 He is taking graduate work at the University of Toledo. He is now a physical education teacher in Salem. The couple will live on Salem Road in Tewksbury, Massachusetts.
